

RWTH International Academy – Fellowship for Syrian Engineers

*Supplementary Scholarship for participants of the DAAD scholarship programme
“Leadership for Syria”*

Preamble

This scholarship intends to support highly qualified engineering students from Syria to pursue a master's degree at the RWTH Aachen University via the organization of the RWTH International Academy. It is intended to supplement scholarship holders of the above mentioned scholarship programme for Syrian students, and allows a waiver for the tuition fees charged by the RWTH International Academy.

For information about the DAAD scholarship programme, please see:

[Information Leadership for Syria](#)

This fellowship applies to admitted students at the RWTH Aachen University in one of the following master's programmes:

- (1) M. Sc. Computer Aided Conception and Production in Mechanical Engineering,
- (2) M. Sc. Management and Engineering in Computer Aided Mech. Eng.,
- (3) M. Sc. Management and Engineering in Electrical Power Systems,
- (4) M. Sc. Management and Engineering in Production Systems,
- (5) M. Sc. Management and Engineering in Water,
- (6) M. Sc. Production Systems Engineering,
- (7) M. Sc. Textile Engineering.

§ 1 Principles

The scholarship covers the tuition fees for the respective master's programme (within the regular study duration) between 12,600.00 EUR and 20,000.00 EUR, depending on the programme. An administrative fee of 500.00 EUR per semester will be charged from the student.

§ 2 Requirements

Admitted students of the programmes mentioned above, with a Syrian citizenship, who have performed excellent in their bachelor studies and have already been awarded the DAAD scholarship.

§ 3 Duration

The scholarship lasts three or four semesters (depending on the regular period of studies).

§ 4 Registration Process and Application Deadline

Students have to apply regularly for the envisaged master's degree programme via the application portal of RWTH Aachen University. Along with a printed version of their application form, they have to send the signed application for the *Fellowship for Syrian Engineers* to the office of RWTH International Academy.

Application deadline for the master's degree programme as well as the Fellowship is 1 March of each year. The required documents are:

- Filled application sheet 'Fellowship for Syrian Engineers',
- Regular application for the M.Sc. programme (PDF),
- Copy of DAAD scholarship agreement/admission.

§ 5 Escape clause

The awarding of this scholarship is dependent on the availability of the financial capital of the RWTH International Academy student fund. There is no legal basis for students to demand the scholarship.

Aachen, 4 January 2016
